

LAGERTA
— WORLD WOMEN COMMUNITY —

Language workshop

*«Ukrainian – the
language that heals»*

The leading expert of the project

TETYANA BONDARENKO

- ➔ Candidate of philological sciences, docent, head of the department of journalism, advertising and PR technologies of Bohdan Khmelnytskyi Cherkasy National University.
- ➔ language mentor and the author of the Language in Trend Project.

*For 9 months, psychologists members of
LAGERTA master language skills through:*

- Ukrainian-language
interesting and motivational
texts that inspire;
- study of Ukrainian poetry;
- watching movies and
listening to podcasts;
- lots of interesting interactive.

In the practical course program:

- practicing articulation skills;
- studying updated spelling;
- enrichment of one's own vocabulary;
- acquisition of communication skills.
